PROCEDURES FOR CA BOAT LIFTS

Rental docks Only—Slips with an approved lift must pay \$825 Lift Deposit and fill out a Lift Agreement form at the Front Desk of the CA Office.

Please do **NOT** purchase a boat lift until the lift measurements can be verified to see if the lift will adequately fit inside your half of the rental slip!

All boat lifts must be installed inside their half (50%) of the rental slip with adequate space allowed between the 2 boat lifts. Most lifts cannot be over 10' wide for rental slips (measured from outside foot to outside foot).

ALL New & Used boat lifts require a 5-step approval process

Before a boat lift can be installed. This includes boat lifts being installed in personal docks...and CA rental docks. It is the owner's responsibility to submit the paperwork to get approval. If a boat lift is installed *without* a permit, the CA can demand that it be removed permanently at the owner's expense. The 5-Step Lakefront Project Approval form must be completed along with the regular application for all Lakefront projects (Including docks, lifts & seawalls).

These courses are done in person. This is a one time course;

LIFESAVER CPR & AED CLASS

SPONSORED BY THE LAKE ST. LOUIS AMBASSADORS

APRIL 28
7:00-8:30 P

LSL COMMUNITY
ASSOCIATION

If a neighbor, friend, or family member were to suffer a sudden cardiac arrest, would you know what to do?

The first minutes following a cardiac arrest are the most critical, and providing help to the patient is easier than you may think. In most situations, hands-only CPR is the appropriate course of action - no mouth-to-mouth breaths are required.

In this one-hour class, St. Charles County Ambulance District team members will discuss the science behind cardiac arrest, and why good chest compressions are so important. Other topics will include how to use an AED to provide a shock to the patient's heart, and an overview of Missouri's Good Samaritan Law.

CAN KIDS ATTEND?

Absolutely! Though younger children may not be able to achieve proper compression depth, it's never too early to initiate the conversation.

AM I CERTIFIED AFTER THIS CLASS?

Lifesaver CPR classes do not yield a course completion card - they're intended to be an immersive overview, but would not satisfy requirements of some workplaces.

DO I NEED TO REGISTER?

No registration required! Please come as you are and learn a new skill.
