## **ANNOUNCEMENTS:**

### **ACC GUIDELINES:**

**ALL Outside Aesthetic Changes to your house Must be approved by the ACC including new roofs, new paint, siding, doors, etc...**

### **PROCEDURES FOR BOAT LIFTS**

Please do **NOT** purchase a boat lift until the lift measurements can be verified to see if the lift will adequately fit inside your half of the rental slip! All boat lifts must be installed inside their half (50%) of the rental slip with adequate space allowed between the 2 boat lifts. Most lifts cannot be over 10' wide for rental slips (Measured from outside foot to outside foot).

**ALL New & Used boatlifts require a 5-step approval process** before they can be installed. This includes boatlifts being installed in personal docks...and CA rental docks. It is the owner's responsibility to submit the paperwork to get approval. If a boat lift is installed *without* a permit, the CA can demand that it be removed permanently at the owner's expense. The 5-Step Lakefront Project Approval form must be completed along with the regular application for all Lakefront projects (Including docks, lifts & seawalls).

**The ACC only meets twice monthly at 6:30pm on the Second & Fourth Thursday of the month in the Veterans room on the lower level of the Clubhouse.**

Please contact Shirley Vogt, ACC Coordinator at 636-625-8276, ext. 109  
or send an email to [svogt@lslca.com](mailto:svogt@lslca.com).

**Rental docks Only**—Slips with an approved lift must pay \$825 Lift Deposit and fill out a Lift Agreement form at the Front Desk of the CA Office.

**BOATING SAFETY COURSES:** These courses are done in person. Please contact Water Patrol to schedule a date and time: 636-625-3120. This is a One time course— if you have taken our class there is no need to take it again.

**WATER PATROL HOURS:** Water Patrol is open 7 days a week from 10:00am-8:00pm.
