**LAKE LOWERING:** The Small Lake will be lowered for lakefront homeowners to perform maintenance from **Oct. 15th– Dec. 15th .**  
Lakefront projects require ACC approval.  
Please submit lakefront projects to Katey Bernstein.

## **PROCEDURES FOR CA BOAT LIFTS**

**Rental docks Only**—Slips with an approved lift must pay \$825 Lift Deposit and fill out a Lift Agreement form at the Front Desk of the CA Office.

Please do **NOT** purchase a boat lift until the lift measurements can be verified to see if the lift will adequately fit inside your half of the rental slip!

All boat lifts must be installed inside their half (50%) of the rental slip with adequate space allowed between the 2 boat lifts. Most lifts cannot be over 10' wide for rental slips (Measured from outside foot to outside foot).

### **ALL New & Used boat lifts require a 5-step approval process**

before they can be installed. This includes boat lifts being installed in personal docks...and CA rental docks.

It is the owner's responsibility to submit the paperwork to get approval.

If a boat lift is installed *without* a permit, the CA can demand that it be removed permanently at the owner's expense. The 5-Step Lakefront Project Approval form must be completed along with the regular application for all Lakefront projects (Including docks, lifts & seawalls).

**BOATING SAFETY COURSES:** These courses are done in person.

Please contact Water Patrol to schedule a date and time: 636-625-3120.

This is a one time course— if you have taken our class there is no need to take it again.
