

Lake Saint Louis Community Association

Pickleball Court Guidelines

Safety First!

- When your ball rolls onto another court, please yell "ball" to stop play and prevent injury to others.
- To decrease the risk of eye injury, eye protection is strongly recommended.
- Avoid playing on wet courts.
- Drink water to avoid dehydration.
- Stretch and warm up your body before playing.

Pickleball court fees: Courts are for Lake Saint Louis CA members that have a paid amenities package. Lake Saint Louis CA residents that have not purchased an amenities package must pay \$7.00 per person per day and non LSLCA members \$8 per person per day at the Golf shack located next to the CA clubhouse at 100 Cognac Court.

Court locations: There are four pickleball courts located at Lakewood marina on the Southeast side of the big lake. Also, there are four pickleball courts located by the CA clubhouse on the tennis courts. Consult the schedules posted for court availability and usage times for organized play.

Pickleball Etiquette:

- Remember pickleball is only a game.
- Be social and have fun!
- Practice good sportsmanship.
- Begin each game by acknowledging the other players and introducing yourself if you don't know them.
- If the ball is out and it's on your side, call it out.
- Acknowledge other players when they make a good shot.
- At the end of each game, meet at the net (clink paddles) and say "good game." NEVER leave a game without acknowledging the other team.
- When playing at CA courts, please be courteous to tennis players that are playing by keeping distractions to a minimum (ie...playing music, loud noise and walking behind a court while a volley is underway).
- Do not alter the set height of tennis nets at the CA courts for pickleball play.
